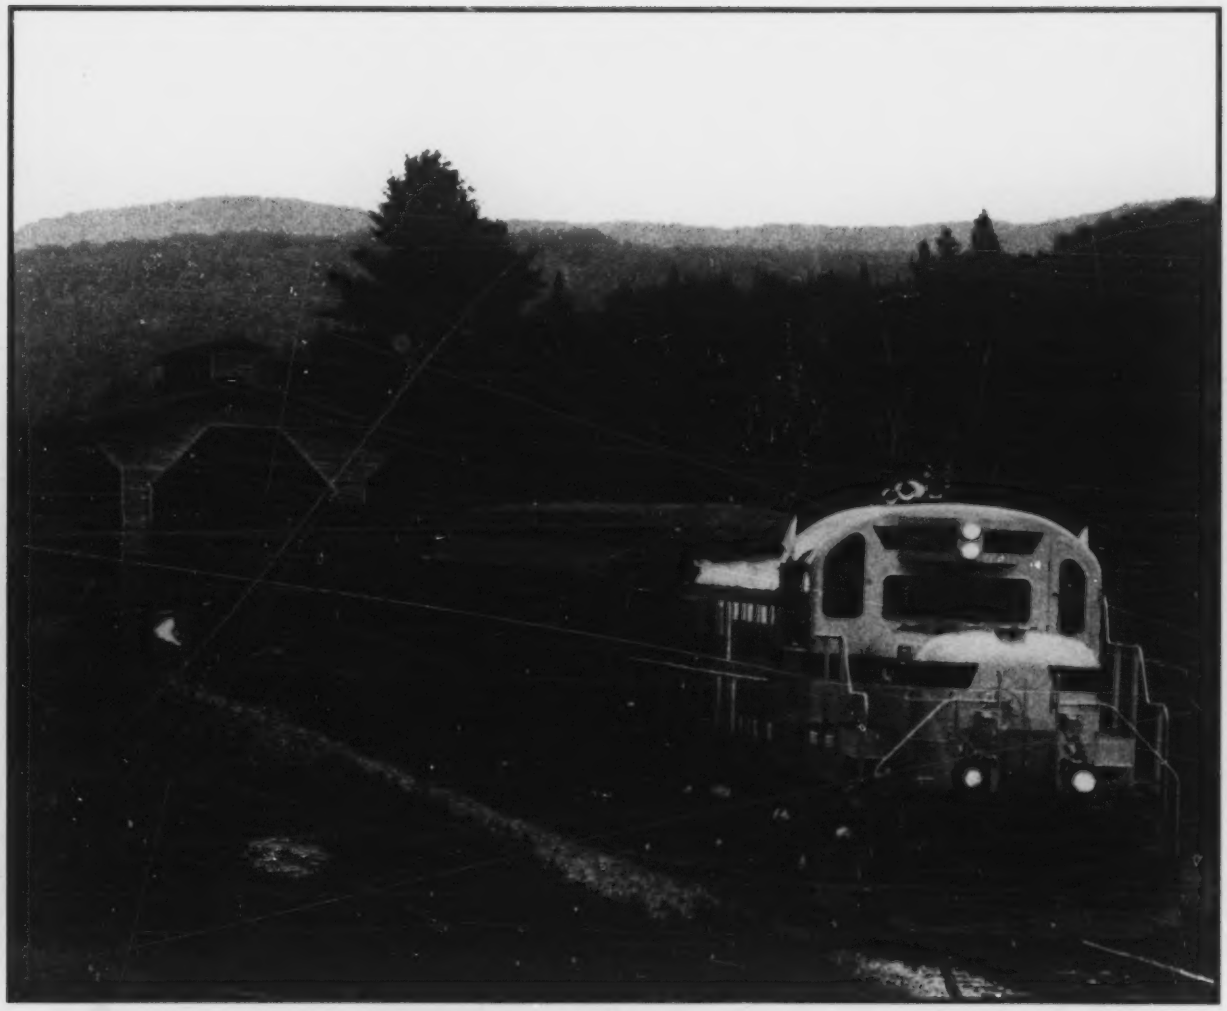
ANNUAL REPORT OF THE

INSURANCE COMMISSIONER

OF THE

STATE OF VERMONT



For the Year Ended June 30, 1990

OFFICE OF THE COMMISSIONER

STATE OF VERMONT
DEPARTMENT OF BANKING, INSURANCE AND SECURITIES

March 15, 1991

The Honorable Richard A. Snelling
Governor of Vermont
Pavilion Office Building
Montpelier, VT 05602

Dear Governor Snelling:

I am pleased to present the Annual Report of the Commissioner of Insurance for the fiscal year ending June 30, 1990. This report has been prepared and submitted to you as required by 8 V.S.A. § 73.

The Insurance Division regulates licensed and domestic insurance companies operating in Vermont, 8 V.S.A. Chapters 101-143. Since the federal government does not have a significant role in the regulation of insurance, the efforts of each state government in the effective regulation of insurance are of singular importance. Under the terms of the McCarren-Ferguson Act passed in 1946, the insurance industry is regulated by each state. Both the insurance consumer and the insurance industry depend on the Insurance Division to establish and maintain reasonable criteria for the marketing of insurance products. While the obligations and responsibilities of the division are manifold, our purpose is simple. Our goal is to foster a fair marketplace marked by good products, fair prices, and quality service.

The Insurance Division performs the following functions: (1) reviews and approves insurance companies seeking to do business in Vermont; (2) examines insurance companies concerning financial solvency matters and conduct toward policyholders; (3) reviews and approves policy forms sold to Vermont consumers; (4) performs analysis and approval/disapproval of rates for property and casualty insurers and health insurers at various times; (5) monitors the marketplace for property and casualty insurance products to ascertain whether or not adequate levels of competition exist; (6) supervises the operation of the market assistance plan, guaranty funds, and the assigned risk plans; (7) licenses insurance agents, brokers and adjusters; (8) handles consumer complaints and inquiries relating to the insurance industry; (9) reviews consumer complaints in an effort to seek

appropriate resolution of disputes between insureds and insurers; (10) enforces various regulatory and statutory requirements and imposes appropriate sanctions upon insurance companies, agents and other licensees when conduct fails to comport with various requirements; and (11) conducts liquidation of insolvent insurers. (Presently, the Department is working to complete liquidation of the Ambassador Insurance Company.)

The numerous functions performed by the Division are accomplished by four sections: (1) Examination; (2) Captive Insurance; (3) Rate and Form Analysis; and (4) Insurance Regulation (licensing, consumer complaints, and market conduct). The Insurance Division regulates a significant portion of the financial services industry in Vermont. A few numbers indicate the scope of the Division's important responsibilities: (1) The aggregate annual insurance premiums paid by Vermonters for all types of insurance was in excess of $1 billion for fiscal year 1990. (2) The Division annually issues over 10,000 licenses to agents, brokers, consultants, appraisers and adjusters. (3) The Division processed approximately 2,000 consumer complaints and inquiries last year recovering in excess of $2,286,459. (4) The Division supervises approximately 1,000 insurance companies (domestic, licensed captive and surplus lines insurers).

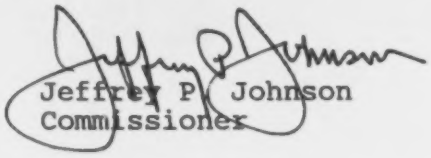
In addition to its regulatory activities, Vermont has become the premier domestic domicile for captive insurance companies. In August of 1990, the Department licensed its 200th captive. The total number of active captives in Vermont is approximately 155. That total exceeds the total number of captives operating in the other 49 states. The Department anticipates that captive insurers will pay approximately $6 million in premium taxes for 1990 tax obligations. All indications are that Vermont continues to meet success in its efforts to promote itself as an attractive domicile for captive insurers.

It should also be added that Vermont's efforts to attract captives have not been at the expense of effective regulation. Indeed, one of Vermont's strong "selling" points is that we have a team of experienced and competent individuals who review captive insurance applications and who monitor captive insurer operations.

The insurance market has been and continues to be marked by dramatic change. On the top of the Department's list remains its effort to supervise the financial solvency of insurers doing business in Vermont. However, the Department has also enhanced its ability to supervise the market conduct of insurers and insurance agents. In the future, the Department will continue its efforts to firmly and consistently enforce laws designed to protect the public.

I would be happy to respond to any questions, comments or concerns you may have concerning this report.

Very truly yours,



Jeffrey P. Johnson
Commissioner
